

TOM COPLEY

FOR LONDON REGIONAL BOARD REP

Holborn & St Pancras CLP
L0075471

I have been involved in London Young Labour for a number of years and served as LYL Chair from 2008-2009. I currently represent young members in London on the Young Labour National Committee.

I have two overriding aims. Firstly, to engage our existing members with London Young Labour and the London Labour Party more effectively. A major part of this will be encouraging more of our members to get actively involved in campaigning across the capital. Second, I want to further increase our already growing membership by encouraging more young people to join the Labour Party.

I elected I will:

- Work with London Region to identify where London Young Labour can best deploy its campaign resources
- Work with Ken Livingstone as Labour's mayoral candidate to ensure that London returns a Labour mayor and an increased number of Assembly seats in 2012
- Make the case for LYL to be given a membership list to help us to keep in touch with our members
- Report back to young members after each Regional Board meeting
- Work to ensure that every London CLP has a youth officer and set up a network of youth officers across London to share good practice
- Work with London Young Labour and the national Party to produce campaign materials promoting the £1 youth rate
- Encourage the London Labour Party to use Facebook to promote the £1 youth rate, an idea that was trialed successfully when I was Chair of LYL

My experience:

- Chair, Camden Labour Campaign Forum (LGC) (2010 -)
- London Rep, Young Labour National Committee (2008 -)
- Organiser, Holborn & St Pancras CLP (2008 - 2010)
- Youth Officer, Hampstead & Kilburn CLP (2009 - 2010)
- Secretary, Finchley Road & Kilburn Branch (2008 - 2010)
- Assistant to Frank Dobson MP (2008 - 2010)
- Chair, London Young Labour (2008 - 2009)
- Assistant to Vernon Coaker MP (2006 - 7)
- Parliamentary Assistant to Graham Allen MP (2005 - 6)

"Tom has worked incredibly hard for London Young Labour over the past few years. I hope that you will elect him to the Regional Board so that he can continue to work on behalf of young members in London."
